

TRODAT SWOP-PAD_ AUSTAUSCHKISSEN

Original Trodat Austauschkiessen für Professional, Printy und Mobile Printy sind wahre High-Tech Produkte. Sowohl das Kissenmaterial als auch die Farbe sind in jahrelanger Forschung immer weiter perfektioniert worden. Deshalb funktioniert ein Trodat Abdruck am kalten Polar genau so gut wie im tropischen Regenwald. Gleichmäßiger, homogener Farbauftrag vom ersten bis zum letzten Abdruck.
